A PLACE OF VISIONS AND DREAMS

Re: Voluntary Closure of Business, March 2020

Dear WRFN Business Owners – Particularly Wolfies, General Store and Hwy. 6,

I want to thank you from the bottom of my heart for your commitment to our community's safety and wellbeing by agreeing to WRFN's recommendation to voluntarily close your doors for the time being. I know this cannot have been an easy decision.

I also know it has a real and serious economic cost for your businesses and particularly your own families. None of us wants to be in this situation.

By taking these steps to put safety first, it helps protect our citizens of WRFN. It matters. Please know, it's making a difference already! We will never know exactly how many lives each of your decisions may impact in a positive way, but in all likelihood you are indeed saving lives - you are part of true local heroes.

Again, we thank you for working with us through this global change. And, we hope and pray we will all return healthy and back in business very soon!

In Unity,

Chief Franklin Paibomsai
