

A PLACE OF VISIONS AND DREAMS

September 10, 2021

## NOTICE TO ALL TENANTS OF WHITEFISH RIVER FIRST NATION AND WHITEFISH RIVER DEVELOPMENT CORPORATION

This letter will advise tenants **that Whitefish River First Nation (WRFN) continues to remain in a State of Emergency, and access is restricted.** This will remain in effect until otherwise notified.

- Reminder that recreational leases and permits are seasonal occupation from May 1<sup>st</sup> to October 31<sup>st</sup> annually and should be vacated by October 31<sup>st</sup>. Starting November 1<sup>st</sup>, WRFN will continue its monitoring efforts on the occupancy of recreational lots.
- Requests to access your cottage will be permitted if you have submitted your waiver forms and complete the WRFN COVID-19 screening form (enclosed) then return it to the WRFN Lands Department before your visit. Please notify the Lands Department when you plan to access your cottage to avoid any confusion.
- Please be advised there has been a change in the Assignment of Lease (AOL) Process. In 2021 our Environmental Health Officer (EHO) informed us that his office longer performs sewage disposal inspections for sales on leased land. This means all tenants will be responsible for completing this. Enclosed is the new AOL process for WRFN.
- Lastly, temporarily there is no Commissioner of Oath on staff at the WRFN administration office. Any documents that require a notary will have to be signed elsewhere. We will notify when we have another Commission of Oath on staff.

Should you have any questions or concerns, or need a copy of the screening form and waiver, contact Keith Nahwegahbow at (705) 285-4335 or on his cell phone at 705-863-2590 or by email at [keithn@whitefishriver.ca](mailto:keithn@whitefishriver.ca)

Sincerely,

**Whitefish River First Nation**
