A PLACE OF VISIONS AND DREAMS

Notice to Whitefish River First Nation Post-Secondary Students

Please be assured that Whitefish River First Nation recognizes that many post-secondary institutions have moved to online instruction in response to the COVID-19 Pandemic. We understand that school can be stressful at the best of times and these changes will drastically impact your learning. We want our students to know that Whitefish River First Nation will work to support you and your learning the best that we can to ensure success in your studies.

With that in mind, post-secondary students are asked to keep up-to-date with the information they are provided from their educational institute and to adhere to the expectations of their programs and courses. Please also ensure that the Whitefish River Education Department is kept informed of any adjustments to your post-secondary schooling.

For those students who have returned home to the community of Whitefish River and require internet access that is directly related to your post-secondary learning, please contact the administration office at 705-285-4335 for information on the supports that can be provided.

Miigwetch,

Art Jacko
Band Manager
